TRAVEL

Travel Benefit Change Effective September 8, 2021: The Big Ten Academic Alliance contract with Enterprise National Rent-A-Car was renegotiated. This contract impacts all Big Ten schools, including IU. Unfortunately, starting Wednesday, September 8, 2021, rental car discounts are no longer available to IU Retirees. This change impacts retirees from all Big Ten schools. While we're disappointed this benefit has been discontinued, we want to remind you of the other travel benefits that are available to you as an IU Retiree including:

- **Local Hotels:** Traveling within Indiana? Check out the *Hotel Rates by Campus* page on the Travel Management Services website at iutavel.iu.edu to see a listing of hotels that offer discounted rates to IU retirees. Hotels are grouped by IU campus. Simply review the list of hotels available in the area, call the reservation phone number and state your IU affiliation to take advantage of the discounted rate. Please note: Local hotels have black-out dates when the IU rate is not available.
- **FastPark Airport Parking:** Traveling a little further? Take advantage of the FastPark discount available through IU. Benefits include reduced daily parking rates (\$7.50 per day, excluding tax), free reservations, and 24-hour shuttle service. Visit the FastPark page on Travel's website to learn about additional benefits and create your account.

Questions on any of the benefits outlined above? Email the Travel Help Desk at travel@iu.edu.
